EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher Kay on March 18, 2004.

The application has been amended as follows:

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Note that, Applicant's amendment, Applicant's arguments, and the Examiner's Amendment are sufficient to place the instant claims in condition for allowance.

Claims 13-21 are directed to an allowable product. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 1-3, 5, and 7-12, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claims 1-3, 5, and 7-12 are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the response mailed 8/20/03 is hereby withdrawn.

Of the references of record, the most pertinent is Bacon et al (US 5,500,138). Bacon et al teach a liquid and solid biodegradable fabric softener composition combined with highly enduring substantive perfumes. Also, these perfumes improve the physical stability of the softener composition. See Abstract. However, Bacon et al do not teach the use of carbon dioxide as recited by the instant claims.

None of the references of record, alone or in combination, teach or suggest a cleaning composition or method of using such a cleaning composition to clean fabrics containing liquid CO₂, a fragrance system, and the other requisite components of the composition in the specific proportions as recited by the instant claims.
